Disclosures

I certify that the above information is true and correct. I authorize First Security Bank-Storden to verify any information included in this application, and allow online access only to the accounts that I am a signer on, which are listed above. I further authorize First Security Bank-Storden to add new accounts to the above list as I open them.

By providing your email address, you are authorizing First Security Bank-Storden to contact you about your account. We may also use your email address to send you information about products and services you might find useful.

The use of online banking shall be governed by the printed terms and conditions of the Online Banking Disclosure statement and such other terms and conditions or amendments thereto, as may be established by First Security Bank-Storden and communicated to me in writing.

Use of your online banking ID and password is the agreed security procedure to access and use online banking services including online transfers. In order to prevent unauthorized access to your accounts and to prevent unauthorized use of these online services, you agree, by using online banking, to keep confidential, and to not give or make available your ID or password, or other means to access your online account to any person not authorized to access your accounts. If you permit any other person(s) or entity to use your online account by giving them your ID, password, or other means to access your account, you are responsible for any transactions and activities they authorize from your account(s).
